This 2347ft house could be your forever home. Built by the current owners in 2007, this 3 bed+den with 2 full bath family home will need to be seen in person to really appreciate its unique design. The kitchen includes 2 islands great for hosting family and friend gatherings, and has a large walk-in pantry with walnut shelving perfect for storage. The Kitchen's 15ft high coffered ceiling's, and the living room's 10ft high ceiling's contribute to the open concepts spacious feeling. The highly efficient in-floor heating will keep you warm during the cold, with the AC keeping you cool come summer days. Master bedroom with patio walk-out includes a 5 pc ensuite bathroom, and a 9.7 x 10 walk-in closet. Attached to this home you will find a 817ft double door heated garage perfect for a workshop and/or sheltering your vehicles from the elements. This family home shines with character and pride of ownership, but it doesn't stop there. The house was built on a 0.8 acre lot, and was professionally landscaped. The backyard's beautiful gardens, walkways, stone fire-pit and sheltered patio area shows you just how much thought was put into the layout, and it has been enjoyed year round by the current owners. This property really is a sight to be seen. (id:42512)
